New Beginnings

- 1st September 2023, **acQuire Technology Solutions** completed the acquisition of Spatial Dimension from Trimble
- Spatial Dimension is now 100% owned by **acQuire**, but is operating as a standalone business
- For all existing customers contracted under Spatial Dimension – no change, business as usual!
- We are the same team with the same product!
- The Spatial Dimension and Landfolio brands will continue to exist and grow
- We're excited about the opportunities and synergies of working with acQuire

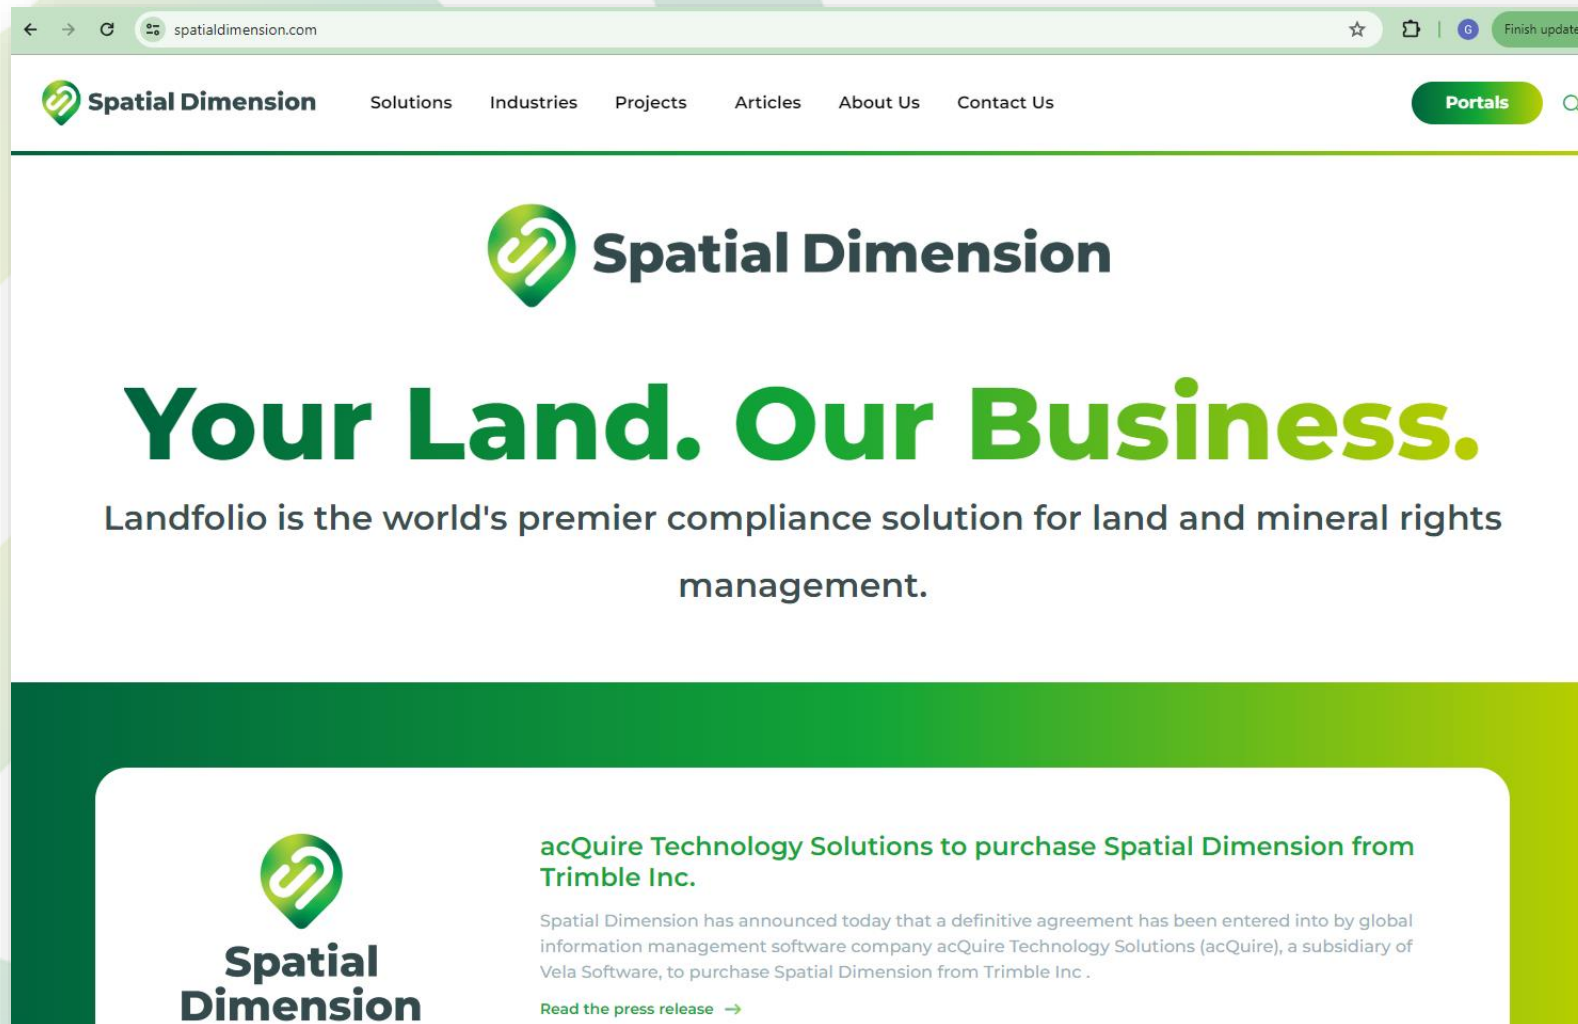

About our new owners

- **acQuire** www.acquire.com.au provides geoscientific, environmental, and compliance software world-wide.
- 150 staff with offices in Perth, Johannesburg, Calgary and Santiago
- Founded in 1996 and acquired by Vela Software in 2018.
- **Vela Software** is a subsidiary of Constellation Software and provides vertical market software expertise, operational support, and capital to help our businesses grow organically and/or through acquisitions.
- **Constellation Software** is a leading provider of software and services to a select group of public and private sector markets.
