Internal meeting with the CSR group to debrief on the meeting earlier in the day with the indigenous tribe. It was decided that the company would offer additional compensation for the impact of our water usage on the local community.

 Mike Baumgartner 09:41

Met with leader of the group to discuss the new exploration plans for 2015. Concerns raised over the impact on the stream that runs past the village. Discussed the terms of the Water Permit being negotiated with the government. See copy of Water Permit attached.
