The screenshot shows the FlexiCadastré web application interface. The browser address bar indicates the URL is <http://localhost/FlexiCadastréBeta/FlexiCz>. The application title is "FlexiCadastré 5.0 Demo (4.5.3.07)" and the user is logged in as "Toby Mills (sign out)".

The interface includes a search bar, a navigation menu on the left, and several main content sections:

- Home**: A section with a search bar and a "Home" button.
- I want to...**: A list of actions including "Add a License", "Apply for a Claim (ON)", "Apply for a Mining Lease (ON)", "Edit Existing Action", "Submit Work Report (ON)", "Schedule New Action", and "Surrender a Lease (ON)". A "Show All" link is present.
- My Searches**: A table listing search results.
- Recently Accessed**: A section indicating there are 42 results in the list, with a pagination control (1 2 3 4 5 6).
- Today's Notifications**: A section for notifications, with a link to "All Notifications".

The navigation menu on the left includes: Home, Licenses, Agreements, Property, Tax Group, Claim Renewal, Project, Credit Distribution, Work Assessment, Affidavit Group, Actions, Maps, Reports, Documents, Companies, People, Competitor Monitoring, My Settings, Admin Tools, and Help. A red arrow points to the "Actions" menu item.
