Mineral Resources Authority (MRA) Papua New Guinea

MRA

- **The Mineral Resources Authority (MRA) of Papua New Guinea (PNG) is a Government Agency and all functions are executed on behalf of the Government of PNG. The Mineral Resources Authority was established through the enactment of the Mineral Resources Authority Act 2005 by the PNG National Parliament**

**Mining Act
1992**

- **Regulate the Law relating to Minerals and Mining Related purposes in Papua New Guinea**

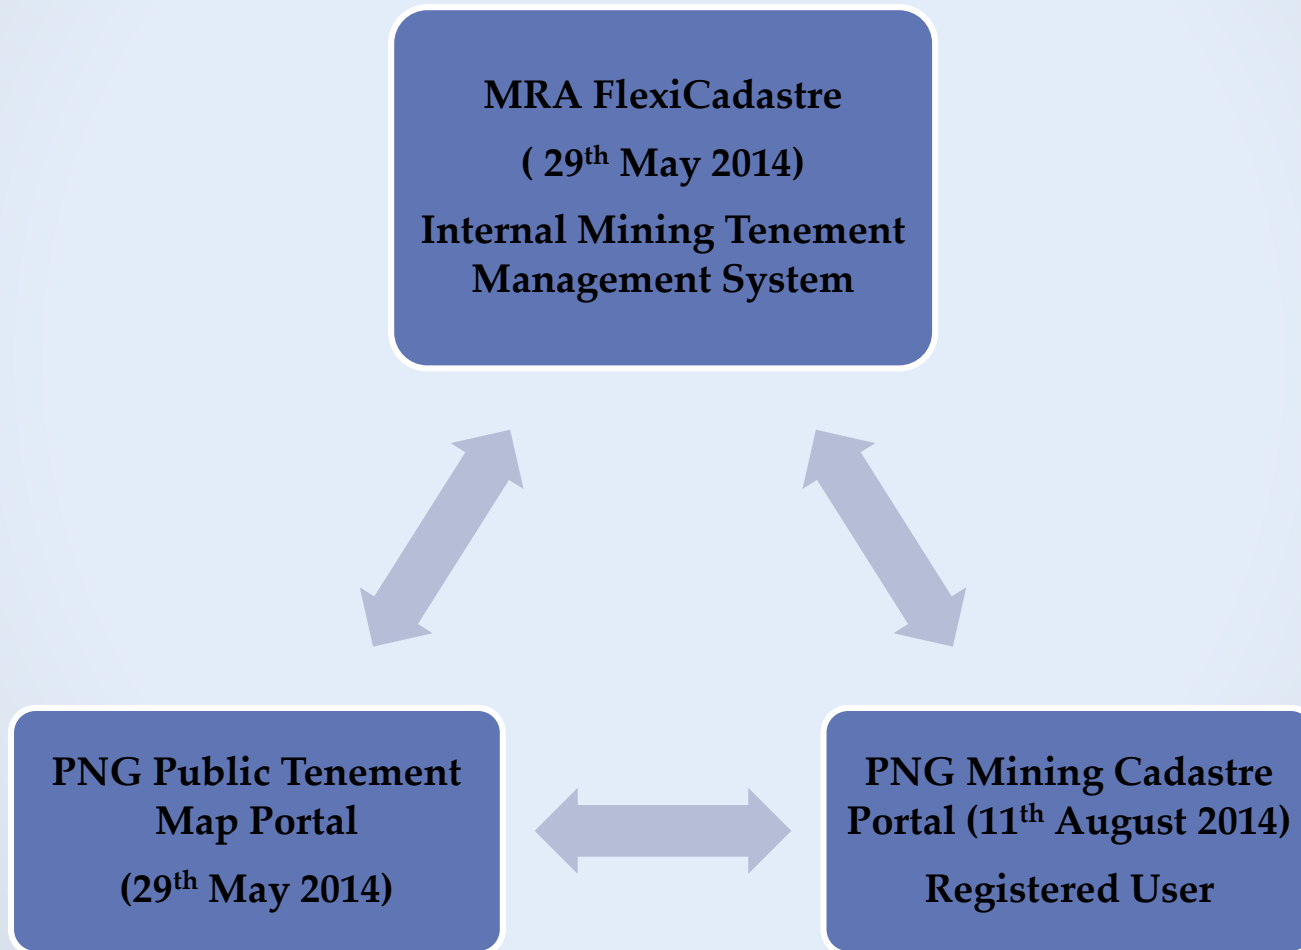

PNG Extractive Industry Transparency Initiative (PNGEITI)

- EITI is a global initiative that promotes transparency of financial flows between companies & government in extractive industry
 - Companies disclose payments made to government;
 - Government to disclose payments made to company
- PNG was admitted as an EITI compliance country on the 19 of March 2014, after its candidacy application was approved by the EITI International Board.
- The PNG National Executive Council (Cabinet) approved the implementation of the EITI through the establishment of an EITI National Secretariat
- Review of mining legislation has included obligations for reporting under the PNGEITI initiative

PNG Mining Cadastre Portal

<https://portal.mra.gov.pg/site>

The screenshot shows the Papua New Guinea Mining Cadastre Portal. The header features the Mineral Resources Authority logo and the text "Papua New Guinea Mining Cadastre Portal". Below the header is a navigation menu with categories: Portal, Registration, External Links, and Legal. The "Portal" category is expanded, showing links for Home, Sign In, Registration Process, Registration Form, Cancellation Form, and Help Videos. The "Sign In" link is highlighted. The main content area displays the "Sign In" form with fields for Email and Password, a "Sign In" button, and a link for "I've forgotten my password". Below the form is a "Terms of Use Summary" section with the following text:

Terms of Use Summary

This Mining Cadastre Portal is provided as a public service by the Mineral Resources Authority. By accessing this system you hereby agree to the Terms and Conditions of the Mining Cadastre Portal.

Access to this Mining Cadastre Portal by any person other than an authorized individual or an authorized agent for a company is strictly prohibited and may result in legal action against such person.

The Mining Cadastre Portal and all of the information it contains are provided "as is" without warranty of any kind, whether express or implied. All implied warranties, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, and non-infringement, are hereby expressly disclaimed.

Under no circumstances will the Mineral Resources Authority or any of its Suppliers be liable to any person or business entity for any direct, indirect, special, incidental, consequential, or other damages based on any use of the Mining Cadastre Portal or any other website to which this site is linked, including, without limitation, any lost profits, business interruption, or loss of programs or information, even if the Mineral Resources Authority or any of its Suppliers has been specifically advised of the possibility of such damages.
