Search Summary Widget

The screenshot displays the FlexiCadastrre web application interface. At the top, there is a navigation bar with the FlexiCadastrre logo on the left, a search bar, and user information on the right: "Users: FlexiCadastrre Admin", "Version: 4.3.3.00 (Beta)", and "Instance: What's New in FlexiCadastrre 4.4?". Below the navigation bar is a sidebar menu with options like Home, Projects, Licenses, Actions, Approvals, Companies, People, Agreements, Documents, Maps, Reports, My Settings, Admin Tools, Help, and Logout. The main content area is titled "Home" and contains a warning message: "Warning: See errors in FlexiCadastrre Diagnostic Report". The central focus is the "Recently Accessed" widget, which is highlighted with a red border. It shows a list of 20 search results with columns for Type, Name, and Description. Below this are three other widgets: "Licenses Expiring" (a table with columns for Exp., Mining, and Other), "Obligations Due" (a table with columns for Payments, Comm., and Work), and "My Reports" (a table with columns for Name and Report Type). The "My Searches" widget is also visible at the bottom right.
